Field Experience, PSYC 484 (or 491*)
CSISD Head Start Program
Fall 2018 ~ 3 Credits
* Check with Psych. Advising Office for PSYC 491 requirements

This is a “Mental Wellness in the Classroom” internship in College Station ISD’s Head Start Program through Shelly Rice, Education/Health/Disabilities Facilitator. Interns will be placed in a Head Start Classroom on an elementary campus in College Station. They will work closely with the Head Start Team including a certified teacher, an assistant teacher and a Family Services Facilitator. Activities include working with small groups of children, working one-on-one with a child who needs extra support, accompanying the children on field trips and generally supporting the classroom routines which reduces adult/child ratios and supports mental wellness in the classroom. Interns can expect to gain a greater understanding of working with “at risk” children and families in an elementary school setting and encouraging parent involvement in the school.

- Choose 3-hour blocks of time M-F 8:00 AM-1:00 PM (total 10 hours/week) (Spanish fluency helpful, but not required)

REQUIREMENTS: Junior or Senior Classification
Experience with Children
Provide Own Transportation

MUST COMPLETE APPLICATION (available on-line through Psychology Advising Office) and email Dr. Heffer (rob-heffer@tamu.edu)
APPLICATION FOR PSYC 484 (FIELD EXPERIENCE) or
PSYC 491 (RESEARCH–FIELD EXPERIENCE) WITH DR. HEFFER

Please deliver this completed application to the reception window at the waiting room of the TAMU Psychology Clinic (Milner room 101; on the level directly below the Advising Office in Milner). Dr. Heffer’s office is Milner room 113.
