Graduate Student Travel Fund

Fall 2018 ~ Summer 2019

Policy and Procedures

The TAMU Psychology Department Graduate Student Travel Fund was developed to assist students in the dissemination of their work at relevant professional conferences.

Who Can Apply:

Students who are enrolled in a TAMU Psychology Department Graduate Program, and who are in good standing may apply. To be eligible, students must be scheduled to present (e.g., talk, a poster) at a National or International conference in their academic area. Funds are not available for local or regional meetings.

Number of Awards Given:

Applicants can only receive one award per academic year (September 1st – August 30th). Funds awarded, but not spent in the year they were awarded will be lost to the awardee.

Size of Award:

If a student receives a travel award, the minimum they will receive is known as the “base award”. The base award for travel depends on the Student’s year in the program. Students can increase their travel award by demonstrating scholarly productivity. The amounts awarded are described below:
