Admission Contract

As a student in the College of Liberal Arts, I agree to the following:

2. I am responsible for making progress on my degree. Every semester, I will register for courses that follow the specified program of study for a baccalaureate degree. Failing to do so may lead me to be administratively removed from courses not on my degree plan and/or being blocked from registration by the Dean of the College. I will enroll in basic course work as outlined in the General Degree Requirements, sections I and II in the Undergraduate Catalog _______. This excludes courses that will serve as electives or that will meet the requirements of a minor.

3. I am responsible for meeting with my departmental major advisor early enough each semester to ensure I am following my degree plan. I will graduate upon completion of all course work for my degree plan including prerequisites.

4. I will complete and submit my student degree planner by the end of my second semester.

5. I will be placed on probation or dismissed from the College if I do not meet established academic standards (Student Rule 12.1).

6. I am responsible for successfully completing a minimum of 36 hours of 300 and/or 400-level coursework in residence at Texas A&M in order to obtain my degree. A minimum of 12 of these 36 hours must be in the major.

7. I am responsible for checking my University authorized email account daily for any university related correspondence. I understand that not all messages sent to my email account will forward thus necessitating that I check it daily.

8. I am responsible for keeping the University informed of my current local and permanent address and my phone number through howdy.tamu.edu.

I accept admission into the College of Liberal Arts and my major with full recognition and acceptance of the above.
