WOMEN IN ECONOMICS
MENTOR-MENTEE PROGRAM

Are you a new to economics or unsure how to navigate through numerous organizations, jobs, and classes in college?

PROGRAM OVERVIEW

Designed to foster growth, networking, and support for women in the field of economics.

- **Who:** Experienced WIE members (usually upperclassmen) paired with fellow underclassmen.
- **What:** Guidance on academic and professional journeys at Texas A&M.
- **How:** Achieve the professional and personal objectives you set on Day 1.

Build lasting friendships through social events and group activities, creating a supportive community for shared experiences and encouragement.

Complete the program successfully and thrive in your economics career!

GOALS

Gain insights and advice from experienced women in economics through:

- **Networking** events
- Personal one-on-one chats
  - including Thanksgiving, Winter, and Galentines social events

What WIE offer:

- Networking opportunities
- **Leadership** development
- A buddy system to guide you through the initial stages of college

Join us and advance your career in economics!

ELIGIBILITY

You only have to be a member of WIE!
