(AND ME)
ANAGHA PRASAD
When I think "punk" I see:

Ramones!

Some of the bands me and Dad used to listen to:

The Smiths
These things are all PUNK to me.

Dad’s Chuck Taylors

Eyeliner that Mom hates

My favorite band t-shirt

Ramones

Rocket to Russia
But did you know....

There are Chicano, Mexican American, punk artists too!

The BRAT

Teresa Covarrubias
The Plugz (one of the first Latino punk bands!)

And here are some more Chicano punk bands.....

Bags

Los Illegals
Basically.....

PUNK CAN BE CHICANO TOO.....

JUST LIKE ME!
