

Curriculum Vitae
Brandon J. Schmeichel

Texas A&M University
Department of Psychology
4235 TAMU
College Station, TX 77843-4235

Phone: (979) 845-9525
Fax: (979) 845-4727
Email: schmeichel@tamu.edu
<http://sites.google.com/site/bjschmeichel>

EDUCATION:

2005 Ph. D., Florida State University (Social Psychology)
2000 M. S., Georgia Southern University (Experimental Psychology)
1996 B. A., University of Nebraska (Psychology)

EMPLOYMENT:

2015—Present Texas A&M University, Professor of Psychology
2010—2015 Texas A&M University, Associate Professor of Psychology
2005—2010 Texas A&M University, Assistant Professor of Psychology

HONORS AND AWARDS:

Cornerstone Faculty Fellowship in Liberal Arts, Texas A&M University (2018-2022)
Top 1% of cited scientists in Psychiatry/Psychology, Institute for Scientific Information
Essential Science Indicators (2015—present)
Daniel M. Wegner Theoretical Innovation Prize (2015) (with Inzlicht and Macrae)
Fellow of the Association for Psychological Science (2015)
Fellow of the Society for Personality and Social Psychology (2015)
International Society for Self and Identity Outstanding Early Career Award (2014)
International Social Cognition Network Best Paper Award (2012) (with Inzlicht)
Florida State University Psychology Doctoral Graduate Award of Distinction (2011)
Fellow of the Society of Experimental Social Psychology (2010)
Big 12 Faculty Fellowship (2007-2008)
American Psychological Association Dissertation Research Award (2005)
National Institutes of Health National Research Service Award (2004-2005)
SPSP Graduate Student Poster Award (2004)
Mensa Award for Excellence in Research (2004) (with Vohs and Baumeister)
Florida State University Brigham Award in Social Psychology (2004)
SPSP Summer Institute in Social Psychology (2003)
SPSP Student Travel Award (2003)

RESEARCH INTERESTS:

I have broad interests in social and personality psychology, particularly the human capacity for self-control. My research examines willpower, choice, memory, motivation, emotion, and emotion regulation.

PUBLICATIONS: Peer-reviewed articles

FUNDING AWARD HISTORY:

TITLE: Unity and diversity in self-regulation and executive functioning
AGENCY: National Science Foundation (NSF-BCS1348944)
AMOUNT: \$424,624
FUNDING PERIOD: 03/2014-02/2018
ROLE: PI

TITLE: Investigating how prior task success improves memory performance in older adults
AGENCY: National Institutes of Health (1R01AG039502)
AMOUNT: \$404,387
FUNDING PERIOD: 10/2011-9/2014
ROLE: Co-Investigator (PI: Lisa Geraci)

TITLE: Differentiating impulse strength from self-control strength as causes of self-control failure

AGENCY: National Science Foundation (NSF-BCS0921276)

AMOUNT: \$374,865

FUNDING PERIOD: 09/2009-08/2013

ROLE: PI

TITLE: Working memory and the self-regulation of emotion

AGENCY: TAMU Faculty Research Enhancement Award

AMOUNT: \$4000

FUNDING PERIOD: 2008-09 academic year

ROLE: PI

TITLE: Differentiating the causes of self-control failure

AGENCY: Big 12 Conference

AMOUNT: \$1400

FUNDING PERIOD: 2007-08 academic year

ROLE: PI

TITLE: Contributions of impulse strength and self-control strength to trait self-control

AGENCY: TAMU Psychology Department – Collaboration Seed Grant

AMOUNT: \$2000

FUNDING PERIOD: 2007-08 academic year

ROLE: PI

TITLE: Cognitive reappraisal and memory for emotional stimuli

AGENCY: TAMU Psychology Department – Collaboration Seed Grant

AMOUNT: \$2000

FUNDING PERIOD: 2007-08 academic year

ROLE: PI

TITLE: Effects of executive resource depletion on memory

AGENCY: National Institutes of Health (F31 MH069139)

AMOUNT: \$28,835

FUNDING PERIOD: 2004-2005

ROLE: PI (Adviser: Roy Baumeister)

GRADUATE STUDENTS SUPERVISED:

Jill Burpo, M.S.

Ryan Caskey, M.S. (Chair)

Analesa Clark, M.S.

Jeannine Tamez, Ph.D.

Milagros Evardone, Ph.D.

Philip Gable, M.S. and Ph.D.

Self-regulatory resource depletion makes people more extreme in their emotions and judgments: A possible mechanism for ego depletion [Abstract]. In C. Pechmann & L. L. Price (Eds.), *Advances in Consumer Research, 33*. Provo, UT: Association for Consumer Research.

CONFERENCE PRESENTATIONS:

**Denotes student co-author*

- *Baldwin, C. L., Finley, A. J., Garrison, K. E., Tang, D., & Schmeichel, B. J. (2019, September). *Greater blood pressure reactivity during an effortful task is associated with enhanced performance monitoring*. Poster presented at the annual meeting of the Society for Psychophysiological Research, Washington D.C.

- *Finley, A. J., *Baldwin, C. L., *Garrison, K. E., & Schmeichel, B. J. (2019, September). *Does incidental cognitive processing influence subsequent emotional responding and the LPP?* Poster presented at the annual meeting of the Society for Psychophysiological Research, Washington D.C.
- *Garrison, K. E., *Finley, A. J., *Baldwin, C. L., & Schmeichel, B. J. (2019, September). *Acetaminophen does not reduce psychophysiological responses to conflict, error processing, and negative feedback.* Poster presented at the annual meeting of the Association for Psychological Science, Washington D.C.
- Schmeichel, B. J. (2019, September). Performance incentives influence the subjective experience of mental effort. In N. Silvestrini (Chari), *Emerging conceptions on effort: Resources, resource perceptions, and subjective experience.* Symposium conducted at the annual meeting of the Association for Psychological Science, Washington D.C.
- *Baldwin, C. L., & Schmeichel, B. J. (2019, February). *Reappraisal increases arousal during a difficult cognitive task.* Poster presented at the annual meeting of the Society for Personality and Social Psychology, Portland, OR.
- *Finley, A. J., & Schmeichel, B. J. (2019, February). *I don't recall your criticism: Self-affirmation, self-threat, and memory for positive and negative feedback.* Poster presented at the annual meeting of the Society for Personality and Social Psychology, Portland, OR.
- *Garrison, K. E., & Schmeichel, B. J. (2019, February). *Getting over it: Working memory capacity and successful emotion regulation in daily life.* Poster presented at the annual meeting of the Society for Personality and Social Psychology, Portland, OR.
- Dormire, S. L., Schmeichel, B., & Sridhar, V. (2018, October). *The dynamics of glucose transport in the brain during menopausal hot flashes.* Poster presented at the annual meeting of the North American Menopause Society, San Diego, CA.
- *Finley, A. J., Tang, D., & Schmeichel, B. J. (2018, October). *Effects of glucose on N2 amplitudes during an Eriksen flanker task.* Poster presented at the annual meeting of the Society for Psychophysiological Research, Quebec City, Canada.
- *Garrison, K. E., *Baldwin, C. L., Schmeichel, B. J., & Harmon-Jones, E. (2018, October). *Meta-analysis of the relationship between frontal EEG asymmetry and approach/avoidance motivation.* Poster presented at the annual meeting of the Society for Psychophysiological Research, Quebec City, Quebec.
- Schmeichel, B. J. (2018, August). *Making memorable choices: Cognitive control and the self-choice effect in memory.* Paper presented at the Collaborative Research Center "Volition and Self-Control: From metaphors to mechanisms," Technische Universität Dresden, Germany.
- *Baldwin, C. L., *Finley, A. J., *Garrison, K. E., Crowell, A. L., & Schmeichel, B. J. (2018, March). *Higher trait self-control predicts fewer and less frequent visceral states.* Poster presented at the annual meeting of the Society for Personality and Social Psychology, Atlanta, GA.
- *Finley, A. J., & Schmeichel, B. J. (2018, March). *Depleted resources or motivational shifts? Self-control aftereffects on emotional reactivity.* Poster presented at the annual meeting of the Society for Personality and Social Psychology, Atlanta, GA.

- *Garrison, K., *Finley, A., & Schmeichel, B. (2018, March). *Effects of ego depletion on attention control*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Atlanta, GA.
- Schmeichel, B. J., & *Finley, A. J. (2018, March). Replicating ego depletion: Details about the labs, methods, and predictions. In K. D. Vohs (Chair), *A pre-registered depletion replication project: The paradigmatic replication approach*. Symposium conducted at the meeting of the Society for Personality and Social Psychology, Atlanta, GA.
- *Baldwin, C. L., *Garrison, K. E., *Finley, A. J., & Schmeichel, B. J. (2017, October). *Individual differences in inhibitory control predict LPP modulation by cognitive reappraisal*. Poster presented at the annual meeting of the Society for Psychophysiological Research, Vienna, Austria.
- *Finley, A. J., Crowell, A., & Schmeichel, B. J. (2017, October). *Resource depletion disrupts the association between agreeableness and error related negativity*. Poster presented at the meeting of the Society for Psychophysiological Research, Vienna, Austria.
- *Garrison, K. E., *Crowell, A. L., *Finley, A. J., & Schmeichel, B. J. (2017, October). *Effects of prior mental effort on attention to emotional images: An ERP investigation*. Poster presented at the meeting of the Society for Psychophysiological Research, Vienna, Austria.
- Schmeichel, B. J. (2017, June). *Cognitive ability and human emotional life*. Keynote address at the Swiss Summer School on Cognitive Control and Consciousness hosted by the University of Bern and the Jacobs Foundation, Weggis, Switzerland.
- Schmeichel, B. J. (2017, June). *Motivational consequences of cognitive control*. Keynote address at the Swiss Summer School on Cognitive Control and Consciousness hosted by the University of Bern and the Jacobs Foundation, Weggis, Switzerland.
- *Crowell, A. L., *Finley, A. J., & Schmeichel, B. J. (2017, January). *Self-affirmation enhances processing of negative stimuli among threat-prone individuals*. Poster presented at the meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- *Finley, A. J., & Schmeichel, B. J. (2017, January). *The interplay between cognition and emotion: Prior analytic processing reduces negative emotions*. Poster presented at the meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- *Garrison, K. E., *Tang, D., & Schmeichel, B. J. (2017, January). *Embodying power: A preregistered replication and extension of the power pose effect*. Poster presented at the meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- *Finley, A. J., *Garrison, K. E., Crowell, A. L., & Schmeichel, B. J. (2016, September). *Aftershocks of self-control on ERPs to acoustic startle probes during emotional images*. Poster presented at the meeting of the Society for Psychophysiological Research, Minneapolis, MN.
- *Garrison, K. E., *McDonald, J. B., Crowell, A. L., Kelley, N. J., & Schmeichel, B. J. (2016, September). *The effects of acetaminophen on the late positive potential during passive image viewing*. Poster presented at the meeting of the Society for Psychophysiological Research, Minneapolis, MN.
- Demaree, H. A., *Yimenu, B., *May, C., *Juergensen, J., *Kotynski, A. E., & Schmeichel, B. J. (2016, May). *Exercising self-control increases subsequent approach motivation*

- for desserts*. Poster presented at the meeting of the Association for Psychological Science, Chicago, IL.
- *Finley, A. J., Kelley, N. J., & Schmeichel, B. J. (2016, May). *Trait self-control facilitates analytical processing of death-related thoughts*. Poster presented at the meeting of the Association for Psychological Science, Chicago, IL.
- *McDonald, J. B., *Crowell, A. L., Kelley, N. J., *Garrison, K. E., & Schmeichel, B. J. (2016, May). *The effects of acute acetaminophen administration on the late positive potential during passive image viewing*. Poster presented at the meeting of the Association for Psychological Science, Chicago, IL.
- *Crowell, A., & Schmeichel, B. J. (2016, January). *Trait self-control predicts attentional bias to reward*. Poster presented at the meeting of the Society for Personality and Social Psychology, San Diego, CA.
- *Finley, A. J., & Schmeichel, B. J. (2016, January). *The interplay between cognition and emotion: Prior cognitive task performance reduces emotional responses*. Poster presented at the meeting of the Society for Personality and Social Psychology, San Diego, CA.
- Schmeichel, B. J., & Crowell, A. L. (2015, December). *Motivational consequences of self-control*. Invited presentation for the 1st Motivation and Self-Control Symposium at the University of Cologne (Köln, Germany).
- *Crowell, A., & Schmeichel, B. J. (2015, October). *Effects of self-affirmation on late positive potentials during emotional picture viewing*. Poster presented at the meeting of the Society for Psychophysiological Research, Seattle, WA.
- *Finley, A. J., *Tang, D., & Schmeichel, B. J. (2015, October). *Effects of glucose on LPPs during emotional picture viewing*. Poster presented at the meeting of the Society for Psychophysiological Research, Seattle, WA.
- Schmeichel, B. J., & *Crowell, A. (2015, July). *The role of impulse strength in ego depletion*. Paper presented at “Self-regulation and ego control” conference sponsored by E. R. Hirt and the University of Indiana.
- Schmeichel, B. J., *Crowell, A., & *Kelley, N. J. (2015, May). *Approach-avoidance motivation and self-control*. Paper presented at the meeting of the Society for the Study of Motivation, New York, NY.
- Schmeichel, B. J., & *Tang, D. (2015, May). *Individual differences in executive functioning and their relationship to emotional processes and responses*. Paper presented at the meeting of the Association for Psychological Science, New York, NY.
- *Crowell, A., & Schmeichel, B. J. (2015, February). *Approach motivation and cognitive resources combine to influence memory for positive emotional stimuli*. Poster presented at the meeting of the Society for Personality and Social Psychology, Long Beach, CA.
- *Finley, A. J., *Crowell, A., & Schmeichel, B. J. (2015, February). *Agreeing with the situation: The influence of agreeableness and self-regulation on the startle eye-blink response*. Poster presented at the meeting of the Society for Personality and Social Psychology, Long Beach, CA.
- *Kelley, N. J., Eastwick, P. W., Harmon-Jones, E., & Schmeichel, B. J. (2015, February). *Induced relative left frontal cortical activity increases jealousy*. Poster presented at the meeting of the Society for Personality and Social Psychology, Long Beach, CA.

- *Tang, D., *Finley, A. J., & Schmeichel, B. J. (2015, February). *Sugar improves flanker performance without entering the bloodstream*. Poster presented at the meeting of the Society for Personality and Social Psychology, Long Beach, CA.
- *Crowell, A., Schmeichel, B. J., & Harmon-Jones, E. (2014, September). *Error-related negativity predicts startle eye-blinks to positive images after exercising self-control*. Poster presented at the meeting of the Society for Psychophysiological Research, Atlanta, GA.
- *Finley, A. J., *Crowell, A., & Schmeichel, B. J. (2014, September). *Agreeing with the situation: Trait agreeableness magnifies the emotion-modulated startle pattern*. Poster presented at the meeting of the Society for Psychophysiological Research, Atlanta, GA.
- *Kelley, N. J., & Schmeichel, B. J. (2014, September). *The self-regulation of avoidance motivation*. Poster presented at the meeting of the Society for Psychophysiological Research, Atlanta, GA.
- *Tang, D., & Schmeichel, B. J. (2014, September). *Self-affirmation soothes the heart: Insult increases and self-affirmation decreases cardiovascular activity*. Poster presented at the meeting of the Society for Psychophysiological Research, Atlanta, GA.
- Schmeichel, B. J., & *Crowell, A. (2014, July). Psychophysiological consequences of exercising self-control. In A. T. Sevincer & G. Oettingen, *The psychophysiology of self-regulation*. Symposium conducted at the meeting of the European Association for Social Psychology, Amsterdam, The Netherlands.
- *Kelley, N. J., & Schmeichel, B. J. (co-Chairs). (2014, May). *The relationship between touch perception and socioemotional processes*. Symposium conducted at the meeting of Association for Psychological Science, San Francisco, CA.
- *Kelley, N. J. & Schmeichel, B. J. (2014, May). The effect of negative emotions on tactile sensitivity: Fear but not anger decreases tactile sensitivity. In N. J. Kelley & B. J. Schmeichel (co-Chairs), *The relationship between touch perception and socioemotional processes*. Symposium conducted at the meeting of Association for Psychological Science, San Francisco, CA.
- Schmeichel, B. J., & *Kelley, N. J. (2014, May). Mortality salience decreases delay discounting. In N. J. Kelley & J. A. Hicks (co-Chairs), *The positive consequences of abstract construals*. Symposium conducted at the meeting of Association for Psychological Science, San Francisco, CA.
- *Crowell, A., & Schmeichel, B. J. (2014, February). *Self-affirmation reduces the threat-potentiated startle response for those higher in behavioral inhibition system (BIS) sensitivity*. Poster presented at the meeting of the Society for Personality and Social Psychology, Austin, TX.
- *Kelley, N. J., & Schmeichel, B. J. (2014, February). *The effect of negative emotions on tactile sensitivity: Fear but not anger decreases tactile sensitivity*. Poster presented at the meeting of the Society for Personality and Social Psychology, Austin, TX.
- Schmeichel, B. J., & Baumeister, R. F. (co-Organizers). (2014, February.) *Self and Identity preconference*. Preconference sponsored by the International Society for Self and Identity (ISSI) for the meeting of the Society for Personality and Social Psychology, Austin, TX.

- Schmeichel, B. J., Vohs, K. D., & *Crowell, A. (2014, February). Novel and surprising effects of self-affirmation on goal disengagement and approach motivation. In K. D. Vohs & B. J. Schmeichel (co-Chairs), *Everything you always wanted to know about self-affirmation but were afraid to ask: How does it work? Is it always good? And why should I care?* Symposium conducted at the meeting of the Society for Personality and Social Psychology, Austin, TX.
- *Smarr, J. L., *Kelley, N. J., & Schmeichel, B. J. (2014, February). *The effects of sex and weight on punishment for moral transgressions*. Poster presented at the meeting of the Society for Personality and Social Psychology, Austin, TX.
- Tang, D., Schmeichel, B. (2014, February). *Self-affirmation soothes the heart: Affirming values reduces blood pressure following interpersonal insult*. Poster presented at the meeting of the Society for Personality and Social Psychology, Austin, TX.
- Vohs, K. D., & Schmeichel, B. J. (co-Chairs). (2014, February). *Everything you always wanted to know about self-affirmation but were afraid to ask: How does it work? Is it always good? And why should I care?* Symposium conducted at the meeting of the Society for Personality and Social Psychology, Austin, TX.
- *Crowell, A., Harmon-Jones, E., & Schmeichel, B. J. (2013, October). *Exercising self-control increases the threat-potentiated startle eye-blink response*. Poster presented at the meeting of the Society for Psychophysiological Research, Florence, Italy.
- *Kelley, N. J., Eastwick, P. W., Harmon-Jones, E., & Schmeichel, B. J. (2013, October). *When jealousy leads to aggression: Induction of relative left frontal cortical activity with transcranial direct current stimulation increases the jealousy-aggression relationship*. Poster presented at the meeting of the Society for Psychophysiology Research, Florence, Italy.
- *Tang, D., *Kelley, N. J., Schmeichel, B. (2013, October). *Look positive: Thinking about death biases overt visual attention to rewards (versus threats), but only among those higher in trait self-control*. Poster presented at the meeting of the Society for Psychophysiological Research, Florence, Italy.
- Vohs, K., Park, J. K., & Schmeichel, B. (2013, October). Self-affirmation can enable goal disengagement. In K. Vohs & Y. Zmuck-Rugar (co-Chairs), *Exploring the self in self-regulation: Unexpected impacts on goal engagement*. Symposium conducted at the meeting of the Association for Consumer Research, Chicago, IL.
- *Kelley, N. J., & Schmeichel, B. J. (2013, May). *The effect of emotions on tactile sensitivity*. Poster presented at the meeting of the Association for Psychological Science, Washington, DC.
- *Crowell, A., *Hawkins, K., *Kelley, N. J., *Grant, B., Harmon-Jones, E., & Schmeichel, B. J. (2013, January). *Neural correlates underlying self-control and approach motivation: Error-related negativity and late positive potentials*. Poster presented at the Self-Regulation preconference of the meeting of the Society for Personality and Social Psychology, New Orleans, LA.
- *Crowell, A., *Kelley, N. J., & Schmeichel, B. J. (2013, January). *Trait approach motivation moderates the aftereffects of self-control*. Poster presented at the meeting of the Society for Personality and Social Psychology, New Orleans, LA.

- Inzlicht, M., & Schmeichel, B. J. (2013, January). *What is ego depletion?* Paper presented at the Self-Regulation preconference at the meeting of the Society for Personality and Social Psychology, New Orleans, LA.
- *Kelley, N. J., *Crowell, A. L., & Schmeichel, B. J. (2013, January). *Exercising self-control causes a bias in visual attention to rewarding images among individuals higher in trait approach motivation.* Poster presented at the Self-regulation pre-conference of the meeting of the Society for Personality and Social Psychology, New Orleans, LA.
- *Tang, D., *Kelley, N. J., Schmeichel, B. (2013, January). *Look me in the eye: Manipulated eye gaze affects dominance behavior.* Poster presented at the meeting of the Society for Personality and Social Psychology, New Orleans, LA.
- *Tang, D., Schmeichel, B. (2013, January). *Stopping anger and anxiety: Evidence that inhibitory ability predicts responding to a negative mood induction.* Poster presented at the Self-Regulation pre-conference of the meeting of the Society for Personality and Social Psychology, New Orleans, LA.
- Schmeichel, B. J., Vohs, K. D., & Baumeister, R. F. (2012, October). Motivation, personal beliefs, and limited resources all play a role in self-control. In D. C. Molden (Chair), *What limits self-regulation? The role of lay theories, motivations, and self-regulatory experiences in producing ego depletion.* Symposium conducted at the meeting of the Society for Experimental Social Psychology, Austin, TX.
- *Crowell, A., *Hawkins, K., *Kelley, N., *Grant, B., Harmon-Jones, E., & Schmeichel, B. (2012, September). *Neural correlates underlying self-control and approach motivation: Error-related negativity and late positive potentials.* Poster presented at the meeting of the Society for Psychophysiology Research, New Orleans, LA.
- *Kelley, N. J., *Crowell, A. L., Schmeichel, B. J. (September, 2012). *Exercising self-control causes a bias in visual attention to rewarding images among individuals higher in trait approach motivation.* Poster presented at the meeting of the Society for Psychophysiology Research, New Orleans, LA.
- *Tang, D., *Grant, B., Schmeichel, B., & Harmon-Jones, E. (September, 2012). *High-approach positive affect increases aggressive responses to provocation: An EEG study.* Poster presented at the meeting of the Society for Psychophysiology Research, New Orleans, LA.
- Schmeichel, B. J., & Inzlicht, M. (2012, April). *What is ego depletion?* Paper presented at the *Psychology of self-regulation: Advances in theory and applications* meeting sponsored by the Kurt Lewin Institute in Amsterdam, The Netherlands.
- *Crowell, A. & Schmeichel, B. J. (2012, January). *Self-affirmation and motivation: Evidence that affirming values reduces approach-motivated responding to positive affective stimuli.* Poster presented at the meeting of the Society for Personality and Social Psychology, San Diego, CA.
- *Kelley, N. J., *Crowell, A. L., Harmon-Jones, E., & Schmeichel, B. J. (2012, January). *The outlook's not so bleak: Mortality salience, disgust sensitivity, and the optimistic perception of future life events.* Poster presented at the meeting of the Society for Personality and Social Psychology, San Diego, CA.
- *Tang, D., Glenn, C., Hajcak, G., Schmeichel, B., & Harmon-Jones, E. (2012, January). *The effect of anger on behavioral inhibition.* Poster presented at the meeting of the Society for Personality and Social Psychology, San Diego, CA.

- Schmeichel, B. J. (2012, January). Impulse and control: Finding a role for impulse strength in the strength model of self-control. In K. D. Vohs & R. F. Baumeister (Chairs), *A rollercoaster named desire: The interplay of motivation and self-regulation*. Symposium conducted at the meeting of the Society for Personality and Social Psychology, San Diego, CA.
- Schmeichel, B. J. (2012, January). *Rich get richer: High cognitive ability helps ego defense and emotion regulation*. Paper presented at the Self and Identity preconference at the meeting of the Society for Personality and Social Psychology, San Diego, CA.
- *Crowell, A., & Schmeichel, B. J. (2011, May). *Working memory capacity enhances memory for unpleasant stimuli*. Poster presented at the meeting of the Association for Psychological Science, Washington, DC.
- Schmeichel, B. J. (2011, September). *Executive functioning and the self-regulation of emotion*. Invited talk for the Brain, Cognitive Sciences, and Education Interdisciplinary Speaker Series, Texas & M University.
- *Harmon-Jones, C., & Schmeichel, B. J. (2011, January). Social display functions of music: Displays of synchrony cause individuals to be perceived more positively. In T. Schubert & C. Harmon-Jones (Chairs), *Synchrony, warmth, and closeness: The embodiment of affiliation*. Symposium conducted at the meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- Schmeichel, B. J., *Harmon-Jones, C., & Harmon-Jones, E. (2011, January). Depleted strength or powerful impulses? Considering both sides of the self-control coin. In M. Inzlicht (Chair), *What is ego depletion? Exploring the mechanisms via which exercising self-control affects subsequent self-control*. Symposium conducted at the meeting of the Society for Personality and Social Psychology, San Antonio, TX.
- Schmeichel, B. J., *Harmon-Jones, C., & Harmon-Jones, E. (2010, October). Exercising self-control increases approach motivation. In N. Mead & Y. Zemack-Rugar (Chairs), *New perspectives on depletion: Expanding the boundaries and nature of depletion*. Symposium conducted at the meeting of the Association for Consumer Research, Jacksonville, FL.
- Schmeichel, B. J., *Harmon-Jones, C., & Harmon-Jones, E. (2010, August). *Exercising self-control increases approach motivation*. Invited talk at the 2nd Munich Symposium on Motivation, Grainau/Garmisch-Partenkirchen, Germany.
- Schmeichel, B. J., *Harmon-Jones, C., & Harmon-Jones, E. (2010, May). Exercising self-control increases approach motivation. In E. Harmon-Jones (Chair), *Emotion-cognition interactions: Implications for attentional processes and self-regulation*. Symposium conducted at the meeting of the Association for Psychological Science, Boston, MA.
- *Harmon-Jones, C., Schmeichel, B., & Harmon-Jones, E. (2010, January). *The expression of determination: Similarities between anger and approach-related positive affect*. Poster presented at the meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
- Schmeichel, B. J., & Vohs, K. D. (2010, January). Low levels of mental construal and ego depletion can improve self-control. In W. Hofmann and L. van Dillen (Chairs), *How to survive Sin City: The role of cognitive control in fighting temptation*. Symposium

- conducted at the meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
- *Serra, R., & Schmeichel, B. J. (2010, January). *Effects of ego depletion on motivation and attention*. Poster presented at the meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
- *Harmon-Jones, C., Schmeichel, B. J., & Harmon-Jones, E. (2009, February). *Facial expressions of anger and determination perceived as similar*. Poster presented at the meeting of the Society for Personality and Social Psychology, Tampa, FL.
- Schmeichel, B. J. (2009, February). The role of working memory capacity in psychological self-defense. In J. Green and L. Newman (Chairs), *Motivated forgetting: The who, the when, and the why*. Symposium conducted at the meeting of the Society for Personality and Social Psychology, Tampa, FL.
- Schmeichel, B. J. (2008, July). Ego depletion and cognitive load: What's the difference? In A. Bertrams (Chair), *Self-regulatory strength and ego depletion: A decade later*. Symposium conducted at the meeting of the International Congress of Psychology, Berlin, Germany.
- Schmeichel, B. J. (2008). (Chair). *Cognitive control and emotion regulation: Applying "cold" processes to "hot" emotional impulses*. Symposium conducted at the meeting of the Association for Psychological Science, Chicago, IL.
- Schmeichel, B. J., & Demaree, H. A. (2008, May). Working memory and emotion regulation. In B. J. Schmeichel (Chair), *Cognitive control and emotion regulation: Applying "cold" processes to "hot" emotional impulses*. Symposium conducted at the meeting of the Association for Psychological Science, Chicago, IL.
- Vohs, K. D., *Mead, N. & Schmeichel, B. J. (2008, March). *Self-regulatory resource depletion strengthens feelings and urges*. Paper presented at the Sydney Symposium for Social Psychology, Sydney, Australia.
- *Harmon-Jones, C., Schmeichel, B. J., & Harmon-Jones, E. (2008, February). *Symbolic self-completion motives expressed in Internet communications*. Poster presented at the meeting of the Society for Personality and Social Psychology, Albuquerque, NM.
- Schmeichel, B. J., & Demaree, H. A. (2008, February). *Emotion regulation and working memory: Agile minds behind still surfaces*. Poster presented at the meeting of the Society for Personality and Social Psychology, Albuquerque, NM.
- *Caskey, R., & Schmeichel, B. J. (2007, January). *Making memorable choices: The role of executive control in the self-choice effect*. Poster presented at the meeting of the Society for Personality and Social Psychology, Memphis, TN.
- Gailliot, M. T., Baumeister, R. F., DeWall, C. N., Maner, J. K., Plant, E. A., Tice, D. M., *Brewer, L. E., & Schmeichel, B. J. (2007, January). *Self-control relies on glucose as an energy source: Glucose fuels the self-regulatory engine*. Poster presented at the meeting of the Society of Personality and Social Psychology, Memphis, TN.
- Schmeichel, B. J., & *Caskey, R. (2006, November). *Updating working memory or inhibiting predominant response tendencies temporarily reduces the capacity for executive control*. Poster presented at the meeting of the Psychonomic Society, Houston, TX.
- Schmeichel, B. J., Baumeister, R. F., DeWall, C. N., & Vohs, K. D. (2006, January). *Is the conscious self a help, a hindrance, or an irrelevance to the creative process?* Poster

- presented at the meeting of the Society for Personality and Social Psychology, Palm Springs, CA.
- Vohs, K. D., *Mead, N., Schmeichel, B. J., & *Bruyneel, S. (2005, September-October). Self-regulatory resource depletion makes people more extreme in their emotions and judgments. In S. Ramanathan (Chair), *Dynamics of self-regulation*. Symposium conducted at the meeting of the Association for Consumer Research, San Antonio, TX.
- Schmeichel, B. J. (2005, May). *Ego depletion reduces working memory capacity*. Paper presented at the meeting of the Midwestern Psychological Association, Chicago, IL.
- Baumeister, R. F., *Dewall, C. N., & Schmeichel, B. J. (2004, April). *Creativity, consciousness, and free will: Experimental findings*. Paper presented at the 6th "Toward a Science of Consciousness" conference sponsored by the Center for Consciousness Studies, Tempe, AZ.
