Texas A&M University
Department of Sociology
Sociology Colloquium Series Schedule
Fall 2020

Zoom session:
https://tamu.zoom.us/j/99722587671?pwd=bys5OW1YVytTYzU2dVpid0ZOM1hvdz09
Meeting ID: 997 2258 7671
Passcode: 699330

If you cannot join with video, you can connect to the Zoom session via phone:
1–346–248–7799

Day and Time: Wednesday, 12–1:30pm
(The Zoom session will be open from 11:40am to 1:40pm)

September 9, 2020
Dr. Andrew Whitehead, Indiana University–Purdue University Indianapolis (IUPUI)
Dr. Samuel Perry, The University of Oklahoma

This event is co-sponsored with Texas A&M Religious Studies.

Taking America Back for God: Christian Nationalism in the United States

Why do so many conservative Christians continue to support Donald Trump despite his many overt moral failings? Why do many Americans advocate so vehemently for xenophobic policies, such as a border wall with Mexico? Why do many Americans seem so unwilling to acknowledge the injustices that ethnic and racial minorities experience in the United States? Why do a sizeable proportion of Americans continue to oppose women's equality in the workplace and in the home?

To answer these questions, Taking America Back for God points to the phenomenon of “Christian nationalism,” the belief that the United States is-and should be-a Christian nation. Christian ideals and symbols have long played an important role in American public life, but Christian nationalism is about far more than whether the phrase “under God” belongs in the pledge of allegiance. At its heart, Christian nationalism demands that we must preserve a particular kind of social order, an order in which everyone—Christians and non-Christians, native-born and immigrants, whites and minorities, men and women recognizes their “proper” place in society. The first comprehensive empirical analysis of Christian nationalism in the United States, Taking America Back for God illustrates the influence of Christian nationalism on today’s most contentious social and political issues.

Drawing on multiple sources of national survey data as well as in-depth interviews, Andrew Whitehead and Samuel Perry document how Christian nationalism shapes what Americans think about who they are as a people, what their future should look like, and
how they should get there. Americans’ stance toward Christian nationalism provides powerful insight into what they think about immigration, Islam, gun control, police shootings, atheists, gender roles, and many other political issues—very much including who they want in the White House. Taking America Back for God is a guide to one of the most important—and least understood—forces shaping American politics.
