

Demography Group

Department of Sociology

TEXAS A&M
UNIVERSITY.

Demography

- Demography is the study of the basic demographic processes
 - Fertility
 - Mortality
 - Migration
- It investigates consequences of these processes for population distributions of various kinds
 - Age and sex composition
 - Spatial distribution of population

Social demography

- Social demography expands the focus of demography
 - It examines the intersection of demography with social distributions and dynamics
 - Population composition and differences in demographic distributions by race/ethnicity and socioeconomic status

Demographic analysis

- Demographic analysis draws on a specialized set of techniques, methods and models including
 - Life table analysis
 - Survival analysis
 - Measurement of demographic rates, ratios, and population composition
 - Stable population theory
 - Decomposition analysis
 - Mathematical and simulation models

Primary courses in demography (offered every two years)

- SOCI 622: Social Demography (Dr. Campbell)

Example: <http://www.ernestoamaral.com/soci622-20spring.html>

- SOCI 632: Migration (Dr. Santana or Dr. Amaral)

Example: <http://www.ernestoamaral.com/soci647-20fall.html>

- SOCI 633: Demographic Methods (Dr. Sakamoto)

Example: <http://www.ernestoamaral.com/soci320-19fall.html>

- SOCI 647: Urban and Spatial Demography (Dr. Fossett)

Primary in another area, cross-listing with demography

- SOCI 667: Racial and Ethnic Identities (Dr. Campbell)
- SOCI 667: US-Mexico Border (Dr. Goldsmith)

Methods courses (offered every year)

- SOCI 623: Measurement of Sociological Parameters
- SOCI 631: Seminar in Sociological Research

Undergraduate courses

- SOCI 312: Population and Society
- SOCI 320: Demographic Methods

Simulations of student cohorts

**Students starting on even years
(2020, 2022...)**

– 1st semester (Fall)

623: Parameters

632: Migration

– 2nd semester (Spring)

631: Sociological Research

320/633: Demographic Methods

– 3rd semester (Fall)

647: Urban and Spatial Demography

– 4th semester (Spring)

622: Social Demography

**Students starting on odd years
(2021, 2023...)**

– 1st semester (Fall)

623: Parameters

647: Urban and Spatial Demography

– 2nd semester (Spring)

631: Sociological Research

622: Social Demography

– 3rd semester (Fall)

632: Migration

– 4th semester (Spring)

320/633: Demographic Methods
