### ASSISTANCE

with large, complex proposals involving multidisciplinary and multi-investigator partnering.

### STRATEGIC ANALYSIS

get reviews of your external proposal drafts to increase competitiveness.

### CONNECTIONS

to campus expertise and facilities. Need a partner in a field outside yours? Let us help you consider the possibilities.

### LINKS

to funding sources, database searches, and agencies/foundations, and how to target a funding match.

### SERVING AS A LIASON

with College faculty and university service offices (SRS, RDS) personnel to build positive relationships, resolve problems, and create solutions in proposal development processes. Work with TAMU Office of Federal Relations and TAMUS Vice Chancellor of Research to leverage opportunities and inform funding strategies to the benefit of the College and faculty.

Identifying and implementing supportive efforts to build research capacity

Help from Julie Masser was key to my success with my proposal.

*Gregory Pappas*  
Philosophy

Julie quickly found the major flaws in my argument, the weak transitions, the ambiguous phrasing and made clear, concise, and helpful suggestions.

*Brian Linn*  
History

Julie's enthusiasm and knowledge are invaluable in finding grants that I hadn't previously known about.

*Emily Johansen*
