

## E D U C A T I O N

<b>Texas A&amp;M University</b> <i>College Station, TX</i> <i>In progress</i>	Doctor of Philosophy, Anthropology PhD. Candidate, expected graduation May 2018 (Chair: Ted Goebel)
<b>Texas A&amp;M University</b> <i>College Station, TX 2012</i>	Master of Arts, Anthropology. Non-Thesis Masters Title: <i>A Materials Analysis of Perishable Artifacts from Four Siblings Rockshelter, NV</i> (Chair: Ted Goebel)
<b>Maryland Institute College of Art</b> <i>Baltimore, MD 2008</i>	Bachelor of Fine Arts, Painting   Minor, Culture and Politics Magna cum Laude. Minor Thesis: <i>Archaeological Technology in the Recovery and Study of Perishable Remains from North American Hunter Gatherer Sites</i> (Chair: Joseph Basile)

## R E S E A R C H I N T E R E S T S

Great Basin archaeology and ethnohistory; perishable artifact analysis; fibers analysis; First Americans archaeology; Desert West Holocene archaeology; paleoecology; paleoethnobotany; light microscopy; identity, ethnicity, and gender

## P R O F E S S I O N A L E X P E R I E N C E

<b>Graduate Assistant Researcher</b> <i>Texas A&amp;M University</i> <i>Fall 2015-Spring 2016</i>	Editorial assistant and graphic designer for the academic journal <i>PaleoAmerica</i> . Attended regional conferences to represent <i>PaleoAmerica</i> and the Center for the Study of the First Americans. CSFA lab manager: supervised undergraduate employees and volunteers. Archival curation of perishable artifact collections, managing Great Basin collections
<b>Debra L. Friedkin Site</b> <i>Bell County, TX 2015</i>	Field Technician, instructor for undergraduates Center for the Study of the First Americans Supervisors: Mike Waters, Joshua Keene
<b>Graduate Assistant Teacher</b> <b>ANTH 205-511, 205-504, 205-509</b> <b>205-508, 205-519, 205-507</b> <i>Texas A&amp;M University</i> <i>Fall 2012 – Spring 2015</i>	Instructor of Record A survey anthropology course for non-majors “Peoples and Cultures of the World.” Enrollment of approximately 75 students
<b>Assistant to Instructor</b> <b>Gender, Ethnicity, and Class in Archaeology</b> <i>Texas A&amp;M University</i> <i>Fall 2013</i>	Assisted in preparing syllabus and seminar readings, in-class activities, and gave lectures
<b>Kautz Environmental Consultants</b> <i>Reno, NV Summer 2013</i>	Field Technician Supervisor: Barbi Malinky Harmon, Kautz Environmental Consultants Primarily survey work and Phase I archaeology around the Eureka, NV
<b>Cultural Resource Management Summer Internship</b> <i>Idaho National Laboratory 2012</i>	Intern. Supervisor: Brenda Pace, INL Analyzed perishable artifacts at the Idaho Museum of Natural history. Prepared a study entitled <i>Aviator’s Cave: A Materials Analysis of Perishable Artifacts from a Southeastern Idaho Lava Tube Site</i> .
<b>Summer Fieldschool in Northern Great Basin Archaeology</b> <i>Devil Creek Canyon and the Idaho National</i>	Instructor of paleobotany, survey, and excavation Excavated at the Pioneer Site, Idaho National Laboratory, and survey at Devil Creek Canyon

	<i>Laboratory, Idaho 2012</i>	Supervisors: Joshua Keene, Ted Goebel, Kelly Graf
<b>Dry Creek Excavation and Fieldschool</b>	<i>Healy, Alaska 2011</i>	Field Technician Phase III excavation of a Late Pleistocene site through the Center for the Study of the First Americans Supervisor: Kelly Graf
<b>Upper Tanana River Basin Survey Project</b>	<i>Tanana River, Alaska 2011</i>	Field Technician Principle Investigators: Ted Goebel and Kelly Graf, Center for the Study of the First Americans Surveyed for geologic landforms that could yield Late Pleistocene occupation and hunting sites
<b>Interior Alaska Survey Project</b>	<i>Susitna River Valley, Nenana River Valley, Alaska 2011</i>	Field Technician Supervisor: John Blong, Center for the Study of the First Americans Surveyed for late Pleistocene occupation, hunting, and quarry sites
<b>Texas A&amp;M University Center for the Study of the First Americans</b>	<i>College Station, TX 2010-Present</i>	Student Technician Supervisor: Ted Goebel, Center for the Study of the First Americans Photographed, illustrated, and analyzed early Archaic Great Basin artifacts Illustrated artifacts from Serpentine Hot Springs, Alaska. Sorted sediment column samples from Bonneville Estates Rockshelter, Nevada. Supervised work study students in the lab.
<b>Texas A&amp;M University Laboratory of Archaeological Ecology</b>	<i>College Station, TX 2009-Present</i>	Student Technician Supervisor: Alston Thoms, Texas A&M University. Washed and cataloged artifacts. Created illustrations for presentations and publications.
<b>Independent Researcher</b>	<i>Baltimore, MD 2008-2009</i>	Prepared documentary research for historic properties in Baltimore, MD
<b>Cultural Site Research and Management</b>	<i>Baltimore, MD 2008-2010</i>	Field Technician/ Research Assistant Supervisor: Douglas Comer, CSRM Prepared report for a BLM Utah survey. Created video for a trail system management project. Field technician for historic sites in Fells Point, Baltimore. Prepared the documentary research and report for historic properties. Cataloged and illustrated artifacts from the Johnstown Flood site.
<b>Elizabeth Anderson Comer / Archaeology</b>	<i>Baltimore, MD 2008</i>	Field Technician Supervisor: Elizabeth Comer, EAC/A Phase 1 archaeology project in Maryland. Prepared the documentary research for historic properties in Baltimore.
<b>Archaeological Excavation and Archaeological Illustration Fieldschool</b>	<i>Hellenic Education Research Center Kythera, Greece 2007</i>	Learned reconstructive and technical drawing techniques for ceramic artifacts and sites. In teams with Greek university students, excavated various Bronze-Age Greek sites Sorted ceramic artifacts.
<b>Camelback Rockshelter</b>	<i>Poconos, PA 2004</i>	Volunteer Field Technician. Supervisor: Jonathan Burns, Temple University Participated in an archaeological excavation of a Late Pleistocene rockshelter

#### **Public Outreach, Volunteer Activities, and Invited Lectures:**

**2016** Guest lecture: *Introduction to Perishable Artifacts in Archaeology*. "Introduction to Archaeology" (H. Smith), Texas A&M University, College Station, TX

**2015** Illustrated environmental conservation book *Tomas the Tarsier: An English and Indonesian Bilingual Book*. Author: S. Gursky

**2015** Guest Lecture: *Fibers Analysis Methods*. "Paleoethnobotany" (V. Bryant), Texas A&M University, College Station, TX

**2014** *Perishables Technology Workshop*. Organized a workshop for hands-on perishable analysis instruction with a visiting perishables expert (Edward Jolie) for 7 graduate students at Texas A&M University.

**2011** *Women's Leadership Forum 1<sup>st</sup> Annual Art Show*. Participated in event to promote women in the arts at Texas A&M University during Women's Week. Winner of 1<sup>st</sup> Place People's Choice.

**2010** *Amazing Aggie Art Race*. Volunteered as a judge at a checkpoint to promote art awareness at Texas A&M University

**2009** *Hot Rock Cook-Off*. Built and tended two earth ovens as an experimental archaeology project in Veterans Park, College Station. Presented the process to the general public.

**2009** *Fells Point Archaeology Weekend*. Provided materials for poster on the Leeke Academy archaeological site.

**2008** Mount Auburn Cemetery, Preliminary reconnaissance for a documentary film on a historic cemetery. Located and documented exposed human remains. Baltimore, MD.

**Relevant Graduate Coursework:**

Archaeological Methods and Theory	Conservation of Archaeological Resources
Research Design in Anthropology	Paleoecology
Cultural Method and Theory	Paleoethnobotany
Style in Archaeology	Geoarchaeology
Lithic Artifact Analysis	Zooarchaeology
Lithic Technological Organization	Soil Morphology and Interpretation
Ancient Food and Cooking Technologies	Microscopic Analysis of Fiber Artifacts
Ceramic Technological Organization	Human Evolutionary Ecology
Ceramic Artifact Analysis	Biological Anthropology
Race, Ethnicity, and Migration	Applications in GIS
Gender, Ethnicity, and Class in Archaeology	Prehistory and Paleoecology of the Great Basin
Theories in Peopling of the Americas	Beginning through Intermediary Spanish
First American Archaeology	Method and Theory in the Peopling of the Americas

**Posters and Papers Presented at Conferences:**

**2016** 81st Society for American Archaeology Annual Meeting  
Poster titled: *Perishable Artifacts from Bonneville Estates Rockshelter (26EK3682), Nevada: A Technological Analysis of Artifacts from the Early through Late Holocene*

**2014** 34<sup>th</sup> Biennial Great Basin Anthropological Conference  
Boise, ID  
Paper titled: *Analysis of Perishable Artifacts from Bonneville Estates Rockshelter (26EK3682), Nevada*

**2014** 34<sup>th</sup> Biennial Great Basin Anthropological Conference  
Boise, ID  
Poster titled: *Analysis of Faunal Materials from the Pioneer Site (10BT676), Clark County, Southern Idaho*  
Authors: Caroline V. Ketron, Joshua L. Keene, and **Marion M. Coe**

**2014** 79<sup>th</sup> Society for American Archaeology Annual Meeting  
Austin, TX  
Paper titled: *Materials and Technological Analysis of Perishable Artifacts from Bonneville Estates Rockshelter (26EK3682), Nevada*

**2012** 77<sup>th</sup> Society for American Archaeology Annual Meeting  
Memphis, TN  
Poster titled: *A Materials Analysis of Perishable Artifacts from Four Siblings Rockshelter, Nevada*

#### GRANTS AND AWARDS

**2016** *Travel Award to attend SAA Conference, Orlando, FL*  
TAMU Department of Anthropology \$650

**2015** *Roy J. Shlemon Geoarchaeology Award*  
TAMU Department of Anthropology \$2500

**2014** *Travel Award to attend GBAC, Boise, ID*  
TAMU Department of Anthropology \$422

**2014** *Department of Anthropology Perishable Technologies Workshop*  
Texas A&M College of Liberal Arts \$4,728

**2014** *Travel Award to attend SAA conference, Austin, TX*  
TAMU Department of Anthropology \$500

#### AWARDS AND ACADEMIC HONORS

##### Graduate:

**2015** Department of Anthropology Graduate Assistant Researcher  
**2014** Department of Anthropology Graduate Assistant Teacher  
**2013** Department of Anthropology Graduate Assistant Teacher  
**2012** Department of Anthropology Graduate Assistant Teacher  
**2010–2011** Center for the Study of the First Americans Scholarship  
**2009** Laboratory of Archaeological Ecology Research Scholarship

##### Undergraduate:

**2008** Maryland Institute College of Art, Magna cum Laude  
**2007** A. Claire Gaskins Harper '41 Scholarship  
**2004** Blum Foundation Scholarship  
**2004** Senatorial Scholarship  
**2004** Dr. Ben Carson Scholarship  
**2004** Maryland Arts Equity Foundation Scholarship  
**2004** Academic Excellence Scholarship  
**2004** Lenore Fund Scholarship  
**2004** National Honor Society

#### PROFESSIONAL ORGANIZATIONS

**2016** California Rock Art Foundation  
**2015–present** Indigenous Studies Working Group, Glasscock Center, Texas A&M University  
**2011–present** Society for American Archaeology

#### OTHER SKILLS

Graphic Design	Artifact curation
Artifact Illustration	ArcGIS and R
Adobe Photoshop, Adobe Illustrator, Adobe Acrobat	ANCS cataloging system
Microsoft Excel, Word, Access, Powerpoint,	IMACS computer and filing system
JEOL 6400 Scanning Electron Microscope certified	
Mine Safety and Health Administration (MSHA) certified
