**RESIDENCY REQUIREMENT:** You must complete at least 36 hours of upper level (300/400) coursework at A&M. A maximum of 18 hours of upper level coursework can come from study abroad. At least 12 of the 36 hours must be upper level courses in the major field of study.

## INTERNATIONAL EXPERIENCE REQUIREMENTS

Your international experience (IE) will not be approved if these requirements are not met in full:

1. You must spend a minimum of 10 consecutive weeks in an approved study abroad, internship, or volunteer (service-learning) experience. This could be completed during the fall, spring or summer. Your IE must have a German cultural and language immersion component.
2. You must be in good academic standing with the university.
3. You must complete (or test out of) GERM 101, 102, 201, and 202 before your IE. You must earn a grade of “C” or better in each of these courses.
4. Your IE must generate a minimum of 3 hours of approved academic credit.
5. Once approved for travel by the INTS advising office, it is your responsibility to follow Texas A&M procedures for study abroad and transfer credit. In most cases this is done under the direction of the Study Abroad Office located in the Pavilion.
6. Experiences abroad prior to the completion of these requirements will not satisfy the IE requirement.

Computing hours for the MODL degree: You may **not** use the same course to satisfy two different degree requirements for the MODL major; however, some courses may be “doubled” to satisfy a double major, double degree or a second minor requirement.

All MODL majors must select a minor field of study. The minor will consist of a minimum of 15 hours of coursework, as defined by the minor department. No more than 9 credit hours may be at the 100-299 level. Interdisciplinary minors such as women’s and gender studies, classical studies, religious studies, and business have specific requirements; students should consult undergraduate advisors in these areas of study. A second major may substitute for the minor.
